

## **PRODUCT DATA SHEET**

### **ADULT NASAL SPRAY WITH MENTHOL**

***NBE: Simply Saline™ Cold Formula plus Menthol***

---

**Adult Nasal Spray with Menthol** is a non-alcohol based epidermal solution designed to be sprayed directly into the nasal cavity to aid in cleaning and nasal congestion. The specific mechanical pressure of the spray and atomization level provides a gentle cleaning and hydration of the nasal cavity.

**Adult Nasal Spray with Menthol** contains an equivalent level of electrolytes found in cell tissue. This ensures no constituents are carried or transmitted through the cell wall either into or from within the cell. The solution, in combination with the componentry provides synergy between pressure and atomization ensuring a total flush that removes all materials that promote infection and impede healing.

**Adult Nasal Spray with Menthol** contains the following ingredients:

- Purified Water to USP Monograph.
- Sodium Chloride to USP Monograph.

**Adult Nasal Spray with Menthol** does not contain any allergens or potential skin irritants.

- Relieves runny nose due to colds and flu.
- Relieves clogging due to buildup of environmental contaminants or allergies.
- Relieves dry, irritated nasal passages.
- Relieves post nasal drip.
- Relieves nasal and sinus congestion and pressure.
- Unique nozzle ensures one way flow, keeping contents free from contamination.

**Adult Nasal Spray with Menthol** is made in accordance with US Pharmacopeia Monograph, 39th Edition of National Formulary 24<sup>th</sup> Edition
