

Product Data Sheet

Aloe Vera Lotion Spray

Aloe Vera Lotion Spray is proven to hydrate, moisturize and heal dry skin. Results are immediate on dry skin and can heal and hydrate very dry skin in up to 5 days. Powered by air, this non-flammable propellant Bag-on-Valve continuous spray product sprays at any angle.

- Immediate absorption
- Moisturizes to heal very dry skin
- Not greasy or sticky
- Dispenses evenly

Aloe Vera Lotion Spray also provides protection against dry, itchy or sensitive skin and can be applied without the sensory experience of a greasy application. This product promotes the healing process and creates a hydrated and protected environment that induces cellular repair. This product also provides a soothing sensory experience and relieves the burning sensation after long exposure to the sun.

Aloe Vera Lotion Spray contains the following ingredients:

- Aloe Vera: Rehydration, cooling and protecting agent
- Botanical Blend of Emollients: Enhanced sensory experience.
- Triglycerides: Promote natural oil production in skin.
- Glycerin: Aids in rehydration and absorption.
