

Product Data Sheet

Cold and Hot Sore Muscle Spray

BOV Solutions **Cold and Hot Sore Muscle Spray**(CHSMS)) is a quick drying dual action product providing fast relief from minor arthritis, backache and muscle strains/ sprains and joint relief. Double action (CHSMS) combines the cooling of menthol with the deep warming of Methyl Salicylate providing fast relief with longer lasting deep penetration of sore and aching muscles in a blend of botanical extracts

CHMSM is in a fast drying alcohol base for ease of use and even coverage

CHMSM contains the following active ingredients:

- Menthol (10%)
- Methyl Salicylate (30%)

In additions CHMSM combines the active ingredients with natural Arnica Montana, Eucalyptus, Ilex Paraguariensis and Peppermint Extracts for a soothing yet effective agent.

CHMSM does not contain any preservative, allergens or potential skin irritants.

- Non Stinging.
- Non irritating.
- Powered by air only.
- BOV Continuous Spray: High level of atomization for deeper penetration and can spray at any angle.
