

## Product Data Sheet

### Itch Relief Clear Skin Protective Spray

---

BOV Solutions **Itch Relief Clear Skin Protective Spray** (IRCS ) is fast drying topical spray designed to provide instant relief from rash occurring from contact with poison ivy, poison oak, sumac or related allergens. IRCS also helps begin the drying process of exudate from blisters and lesions associated with exposure.

IRCS contains the following active ingredients:

- Pramoxine HCl (1.0%) Topical Anesthetic
- Zinc Acetate (0.1%) Drying agent to reduce wound exudate

IRCS also contains the following beneficial ingredients.

- Glycerin To remoisturize and protect the skin
- Botanical Blend Natures natural restorative ingredients.
- Oat Meal Extract Natures soothing agent for skin

IRCS is allergen free.

- Non Stinging
- Buffered system to protect the skin
- Non Drying
- Powered by air only.
- BOV Continuous Spray: High level of atomization for deeper penetration and can spray at any angle.
