

Product Data Sheet

Extra Strength Instant Itch Relief Spray

BOV Solutions **Extra Strength Instant Itch Relief Spray**(XSIIR)) is fast drying topical spray designed to provide instant relief from rash occurring from contact with poison ivy, poison oak, sumac or related allergens. XSIIR also helps begin the drying process of exudate from blisters and lesions associated with exposure.

XSIIR contains the following active ingredients:

- Diphenylhydramine HCl (2%) Antihistamine
- Zinc Acetate (0.1%) Drying agent to reduce wound exudate

XSIIR also contains the following beneficial ingredients.

- Glycerin To remoisturize and protect the skin
- Povidone To create a film to increase resonance time on the skin

XSIIR is allergen free.

- Non Stinging
- Buffered system to protect the skin
- Non Drying
- Powered by air only.
- BOV Continuous Spray: High level of atomization for deeper penetration and can spray at any angle.
